

RE-MODELLING OF AN OLD HOUSE

SIKDAR BAGAN STREET, NORTH KOLKATA

CONCEPT- The idea is to turn the old dilapidated house into an exhibition space.

CHAOS IN ORDER

itself by basically playing with the volume of the rooms. The movement through these series of spaces creates a sort of confusion in the users head. Bottom-line it shows how the volume of a space can affect us and has the power to make us feel comfortable or the opposite.

An exhibition space of the spaces
